**OBS!** In the pre-season from 22/10 our slopes are prepared for training groups and competition skiers.  
(hard surface and steeper slopes) Varies opening hours for private persons in the slopes.

### General rules:

**Chipcard:** Electronic card which will be charged with your chosen amount of skiing hours. Can be reused year after year.

Keep it in your pocket, but not together with mobilephone or other electronic cards. The chipcard wont function if placed in a drying cabinet.

**Ski pass is private property:** Not allowed to be used by anyone but the owner.

**Extension:** 4 day ski pass can be extended with 1 day at 1 occation.

**Ski pass insurance:** Included! Lost ski pass can be blocked and the remaining time compensated for if you can prove the loss with a receipt. A new chip card has to be payed (60 SEK).

Illness/Accident: Ski pass time will be compensated for if you present a medical certificate.

**Valid from the time it's presented at the nearest sales desk. Not valid for ski pass included in package tour.**

Accident: Your home insurance or SLAOS' alpine insurance will be valid if signed for.

### \*Children under 8 years:

**Ski for free if wearing helmet during the period Nov 8 2021 - Apr 24 2022. Chipcard is mandatory**

**Oct 22 - Nov 7 2021 ordinary junior price.**

**The ski pass time starts to count down from the first run.**
