Updated December 21st 2023

These terms and conditions apply between Stiftelsen Idre Fjäll and individuals who, acting on their own behalf or through a third party individual, enter an agreement as specified in the confirmation. In the terms and conditions, the Purchaser is specified as the Customer and other travellers as Guests. If commitments have been made orally by Idre Fjäll staff, these must appear from the confirmation to be legally binding for Idre Fjäll. If such a declaration is missing, the customer is required to immediately notify this in order to correct the confirmation. The booking/agreement may apply to accommodation in cabins/apartments/Pernilla Wiberg Hotel/camping and other products/services, or a combination of these, referred to as a “package holiday.”

Bookings by private individuals

In order to book or enter into an agreement with Idre Fjäll regarding accommodation the mandatory age limit is 20. ID cards will be checked upon arrival. Fulfilment of the age limit is a requirement for gaining access to the accommodation. If the Customer does not fulfil the age limit upon access to the accommodation, the rules for cancellation apply. Accompanying underage guests without a legal guardian present, require written approval from their legal guardian. The minor release form can be downloaded from www.idrefjall.se. Special requests relating to pets or adaption of the furnishing for guests with disabilities should be made at the time of booking. Other requests will be fulfilled if possible. Idre Fjäll reserves the right to change accommodation to equivalent accommodation or make upgrades up until the arrival date without informing the Customer. Different discounts or offers cannot be combined.

The basic price does not include bed linen, towels, cribs/high chairs or departure cleaning. Exceptions are made when it is a mandatory addition to the booking of the accommodation. The Customer is responsible for ensuring that information on the booking confirmation is correct. The booking confirmation/invoice is sent by e-mail and Klarna payment by text message. Should there be any incorrect information, contact Idre Fjäll so that a new booking confirmation/invoice/Klarna payment can be sent.

Payment

The following terms of payment applies:

Invoice payment for groups and via telephone booking

Upon payment by invoice via bank transfer, the payment is divided into installments and/or a final payment. Changes to bookings

In order to make changes to a booking one must have purchased Idre Fjäll's rebooking/cancellation insurance. In case of making changes to a booking with more than 21 days to the arrival date, Idre Fjäll retains the cost of the rebooking/cancellation protection. New rebooking/cancellation protection for the rebooked booking needs to be purchased if desired. When changing to a more expensive accommodation the Customer will pay the difference between the original booking and the new booking as well as a possible cancellation fee. When changing to a cheaper accommodation, the Customer will be credited with the difference between the two accommodations, minus the rebooking fee, as a voucher at Idre Fjäll (see below).

Rebooking fee is calculated as follows:

When making changes with 20 days or less and more than 8 days ahead of arrival, 20% of the accommodation cost on the original booking is the rebooking fee.

If 7 days or less remains to the arrival, 70% of the accommodation cost on the original booking is the rebooking fee.

Changes to the booking of the accommodation refer to changes to another accommodation or to another period during the same season. The booking can also be changed to apply for another person and is then free of charge. Idre Fjäll may deny changes in cases where special reasons exist. Changes to additional orders can be made free of charge up to 4 days ahead of the arrival date. For cancellations, see "Cancellation and "Cancellation insurance". For changes to groups, see "Additions to booking terms and conditions."
